APPLICATION FOR A TEMPORARY WASTEWATER CONTRIBUTION PERMIT FOR DISCHARGING GROUNDWATER INTO THE SANITARY SEWER SYSTEM

OFFICIAL USE ONLY

App # _____ ☐ PD
Permit # _____ ☐ PI

Note: Applications for a temporary permit to discharge groundwater to the sanitary sewer system will only be considered in cases where it is impractical to discharge to the storm drain under an NPDES permit.

1. Company responsible for the proposed discharge: _____
Mailing address: _____
City: _____ State: _____ Zip Code: _____
Telephone number: (____) _____
City of Las Vegas business license number (required for all businesses): _____
2. Person & alternate person authorized to represent the company:
Name: Mr. / Ms. _____ Title: _____ Phone: (____) _____
Name: Mr. / Ms. _____ Title: _____ Phone: (____) _____
3. Proposed discharge location/address: _____
Zip Code: _____
4. Maps/Plans: Please attach a topographical map (3 copies) showing the location of the proposed discharge, the location of the proposed sanitary sewer connection and the location of the nearest storm drain connection. Please also attach a detailed piping diagram (3 copies) showing how the groundwater will be conveyed from the discharge pump to the sanitary sewer (above ground and below ground), including any proposed pretreatment systems and the method of connecting to the sanitary sewer.
5. Proposed discharge duration (2 years max): Starting date: _____ Ending date: _____
6. Proposed flow rate (gallons per minute): Average daily: _____ 3-minute peak: _____
7. Describe the nature of the proposed discharge.

8. Describe the activity that will be producing the proposed discharge.

9. Attach plans or describe any pretreatment systems or Best Management Practices (BMP) that will be used to meet local discharge limitations. If none is being proposed, please explain why none is required.

10. Does the discharger or discharge location have any existing Wastewater Contribution Permits?
YES ☐ NO ☐ If yes, permit number(s): _____

→ → Please complete and sign the other side → →

11. Enter the pollutant concentrations of the proposed discharge in mg/L (milligrams per liter). Please attach copies of all lab analysis reports, supporting documentation (analysis dates, analysis methods, sample preservatives, chain-of-custody forms, etc.) and verification that the laboratory that analyzed the samples is certified by the State of Nevada to perform the required analyses.

_____ mg/L TDS (Total Dissolved Solids)
_____ mg/L TSS (Total Suspended Solids)
_____ mg/L TRPH (Total Recoverable Petroleum Hydrocarbons)

12. Are any additional pollutants suspected to be present in the proposed discharge that have the potential to violate any discharge limitations or prohibitions specified in Las Vegas Municipal Code 14.17?

YES ☐ NO ☐

If yes, please describe (additional analyses may be requested).

13. If you have determined that the proposed discharge does not require analyses for some or all of the pollutants specified in questions 11 or 12, please provide a written justification why you believe that the pollutants will not be present in concentrations that would violate Las Vegas Municipal Code 14.17.

14. Will the proposed discharge generate any waste liquids or sludges? YES ☐ NO ☐

If yes, please describe below:

Type of Waste	Estimated Quantity (per month)	Disposal Method	Waste Hauler & Address (If applicable)

PLEASE ATTACH THE REQUESTED INFORMATION TO THIS FORM. IF MORE SPACE IS REQUIRED FOR ANY OF THE QUESTIONS, PLEASE ATTACH ADDITIONAL SHEETS

This application is to be signed by a responsible corporate officer of your firm after adequate completion of this form and review of the information by the signing official. Should a Temporary Wastewater Contribution Permit be approved, the Environmental Compliance Section will notify the applicant of the permit fee, sewer-use fees and, if applicable, the surcharge fees that are due. All fees need to be paid in full before the permit can be issued.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
